

Authorization to Interview, Photograph or Video Patient

Carolinas HealthCare System

I authorize the health care providers, including Carolinas HealthCare System (CHS), to include _____ in photographs and videos related to care being provided to me or my dependent for internal and external audiences for purposes of documenting care, reporting on it, for teaching or advertising. I also authorize CHS to allow third party media outlets, such as television or radio stations, newspapers, or internet content providers to take pictures, video or interviews of me or my dependent for their same use. In addition to my/his/her likeness, I understand that information I approve about myself or my dependent may be included in the released information. Pictures or videos of the patient undergoing the medical screenings or treatment may also be taken and published. I understand that Carolinas HealthCare System and the other health care providers do not control third party media sources or what they do with the information they obtain. This Authorization will expire when the pictures, videos or materials are no longer in use.

Please note the following:

- Receiving care from Carolinas HealthCare System is not conditioned on signing this Authorization. I or my dependent can still receive medical screenings and care even if this Authorization is not signed.
- You have the right revoke this Authorization at any time by sending a written request to the Chief Privacy Officer, Carolinas HealthCare System, P.O. Box 32861, Charlotte, North Carolina 28232. Note that revocation of the Authorization does not apply to any information that was properly released under this Authorization before we received your request to revoke it.
- Information used or disclosed based on this Authorization may be subject to redisclosure by the recipient and will no longer be protected by this Authorization or the privacy laws.
- You are entitled to a copy of the Authorization.
